Hot Chilli is a brand new, comfortable, fast motor catamaran for up to 15 guests for daily excursions and for up to 4 guests for overnight cruises. It features a very capable captain and cook team. This power cat is perfect for island hopping. Hot Chili can reach all the local islands on a day charter due to its cruising speed of 15 knots.

Let us take you to your dream destination at a faster pace and allow us to spoil you along the way with our fully serviced trips! You will immediately feel at home on this new catamaran. Hot Chilli's interior is designed to the latest standards of modern building techniques incorporating epoxy resins and carbon fiber components in molded GRP. The saloon and cockpit are designed to create one level, which gives one the comfort of a much larger yacht than imagined. The fully equipped galley, to be able to prepare gourmet meals, and the designated beverage fridge, complement this luxurious and comfortable yacht. The "balcony" up front provides comfortable seating for sunbathing and to enjoy the breeze and sunset. Our trips are fun, exciting, and environmentally sustainable and provide our guests with freedom to go where they want. With Hot Chilli we take you to uncrowded safe and unspoiled new places to visit.
